

### Presented scholarship to children of Isuzu drivers "Smart With Isuzu" (Indonesia)

Each year, P.T. Isuzu Astra Motor Indonesia(IAMI) offers scholarships to support the children of Isuzu drivers as they enter school.

#### 160 children were presented with scholarships

On August 23rd 2015, a presentation ceremony was held at a motor show arena in Indonesia and 160 children were presented with scholarships.

Children were presented with scholarships and IAMI members.

#### Held a traffic safety class by police officer at the same time

At the same time, IAMI held a traffic safety class by police officer, which helps children to protect from traffic accidents.

Police officer held quizzes and gave prizes to those who guessed answers correctly, along with other activities designed to raise awareness about traffic safety for children. It was a very exciting event.

The children got excited when the police officer came onstage.
